The "New Wave", symbolic of the class of 1984, rolled into Harrison High at the onset of a new decade, the 80s. Even as freshmen, our enthusiasm and pride was never overshadowed by the upperclassmen.

As freshmen we showed school spirit by beating the seniors, juniors and sophomores in Student Council Week. We gained respect as sophomores by repeating as champs. During sophomore year, many of our classmates made varsity teams. Our togetherness as a class impressed not only our peers but many of our teachers as well.

We weren't the traditional type of students. We were innovative, outgoing, and sometimes rash. Some of the class of '84 were rash during Student Council Week when we were juniors. But we redeemed ourselves by leading the varsity teams to victory while we dominated most of the teams as underclassmen. For the third straight year we won Student Council Week and proved to be the best class once again.

The New Wave was at its highest in 1984. Crewcuts, state championships, the best cheerleaders, and the best football team in ten years were brought to Harrison by the class of 1984. As we look forward to a new beginning, we can always look back to Harrison, to tradition, to our old friends, to the New Wave.

A "New Wave" in Harrison High School in Student Life this year. Definitely. The amount of students and faculty members alike who turned out to work on dances, floats, plays, raffles, and cake sales was amazing. Not only did they turn out, but they worked extremely hard to make this year one of the most memorable Harrison has seen in a long time.

Pep Rally/Homecoming

The Pep Rally was the best in a long time. Students rousinglly cheered the members of the various teams — especially the football team. It was also the first opportunity for most of the school to see the National Champion Cheerleaders in action.

The Homecoming Queen contest was widely publicized this year. Each of the candidates had her picture taken and students were encouraged to vote for the most attractive choice. The winner was Daisy Fuentes, first runnerup was Karen Calautti, while Valerie Mollica was the second runnerup.

Halloween Dance

The annual Halloween dance, sponsored by the senior class, was an enormous success. Seniors as well as underclassmen danced to the music of the Ferreira brothers, patronized the well-stocked refreshment area and proudly displayed their costume creations. A bespectacled Miss Gerris presided over the marriage stand. The hardworking committee, Frank "I have everything under control" Ferreira, Ozzie Carrara, Harry Giannuzzi, Paul Bento, Liz Jeunelot, Anne Henry, Julie Czeslowski, Dennis Koukoutsis, Anna Falsiewicz, Margaret Grodzki, and adviser Mr. Manning, deserve a great deal of credit for the success of the dance. Congratulations to them.

HALLOWEEN

As the end of October drew near, the halls of Harrison High School resounded with the noise of students rushing from place to place to gather material for their floats. The juniors had an early start as they spent long hours piecing together their intricate designs for their "Stray Cat Strut" float. The Student Council decided to design a silvery night club setting for "Puttin' on the Ritz." These two floats took shape early on the afternoon of the parade. However, it was the seniors who actually came through with the first prize winner in the competition. After endless debate about what the theme would be (Frank had, on the average, one great idea for it per hour), and anxiety over where the wood, paint, etc. would come from, inspiration struck and "Monsters Strut Their Stuff All Night Long" was created. Special credit must go to Margaret Grodzki, Pat Lowery, and Frank for their tree and leaf raids on West Hudson Park and also Eileen Glagola, Carlos Frade, Paul Mondaro, Steve Anderson, Liz Jeuncelot, Anna Falisiewicz, Paul Bento, Ozzie Carrara, Harry Giannuzzi, Julie Czeslowski, Steve Krushinsky, Barbara Appleton, Laura Michalyszyn, and adviser Mr Manning — thanks to their teamwork, the senior class of 1984 triumphed.

Annie Get Your Gun

On March 24 and 25 (1983) **Annie Get Your Gun** came alive on the Harrison High School stage. The Drama Club's spring musical featured the talents of Carlos Frade, Theresa Ryan, Paula Carfagno, Jose Madalena, and Paul Mondaro. The story centered on the love affair of Annie Oakley and Frank Butler. The show was highlighted by the songs "There's No Business Like Show Business," "They Say It's Wonderful," "I Got The Sun In The Morning," and "Anything You Can Do."

We've Got Tonight

For seniors, the most eagerly awaited night of 1983 was that of May 26th — the night of their Prom at the Wayne Manor. The evening turned out to be a rousing success despite a torrential downpour, problems with limos and a gypsy wedding going on above us. Highlights of the affair included the crowning of Ozzie Carrara and Liz Jeunelot as King and Queen and the memorable "Stray Cat Strut" performance by the dirty dozen accompanied by Dennis Enright on drums. After that, it was off to New York and more "memorable" moments at Wednesdays — enough to make the whole night unforgettable.

Harrisonian

The 1984, *Harrisonian* staff, which started with a multitude of people, dwindled down to a handful of hardworking students. But this was not evident in the quality of the work.

While Mr. Manning, Paul B., Jodi, and Paul M. did the crux of the work, Harry and Ozzie kept the staff supplied with a variety of snacks appropriated from the senior class store. In addition, Steve Anderson provided comic relief and managed to do the captions for the football layout all by himself with an occasional spelling lesson from Mr. Manning.

This combination of hard work and sporadic play led to a memorable yearbook. It was an enjoyable experience for all the staff members and a privilege to be able to work on a yearbook which will be treasured by all of our classmates in the years to come.

Breezeway Echo

Mr. Doyle, the industrious adviser of the "Breezeway Echo," can take credit for putting together much of the paper itself. For the first time, the reporters weren't all in Mr. Doyle's classes and much of the time, 8.00 meetings were necessary to get stories in on time.

The "Breezeway Echo" is the student newspaper and so it did remain. Mr. Doyle allowed senior editors Paul Bento and Jodi Smith to retain full control over the editing and never censored any stories. The newspaper expressed student views, for it was a student newspaper.

Editors Paul Bento and Jodi Smith confer about the next issue of the "Breezeway Echo."

Student Council

The Student Council faced many problems at the start of the year but once again its members and officers pulled through and made it a fine year for the group. Through the hard work of its advisers, Ms. Green-Compton and Miss Gerris, the Student Council had the opportunity to provide many worthwhile activities for the students.

The group's float won second place in the Halloween parade. It hosted a Christmas Party for the handicapped children in the area. Besides running the student store, the Council also ran a dance and a concession at the play in order to raise funds. Miss Gerris, the new adviser, constantly helped the members and coordinated many of the activities which the group held. The whole student body can take credit for the Student Council's success because without everyone's help it wouldn't work.

National Honor Society

New criteria was established for joining the National Honor Society. Seniors needed to maintain a 3.2 grade point average and juniors needed a 3.4. The depletion of members did not mean a lack of enthusiasm, though. The group was active in school activities through the guidance of its adviser, Miss Lynskey.

FBLA

The main function of the Future Business Leaders of America is to get young adults ready for the business world. The members learned about the different positions in business by visiting the main offices of Channel Home Centers and IBM. This year each member entered competitions in which she competed against members of other FBLA chapters who are on the same level in their specific area of competition. The FBLA had a successful year and, hopefully, future years will turn out just as well.

Library Guild

The helpful members of the Library Guild may be found in and around the Media Center. Under the supervision of Ms. O'Brien, these students check out books, operate copy machines and audiovisual equipment.

ART CLUB

Enjoying its largest and most active membership in recent years, the Art Club is open to the entire student body. Many students who are not scheduled for a regular art class fulfill their artistic endeavors by attending meetings and participating in various projects.

Events included in this year's activities are: the Halloween poster contest, the museum field trip and participation in the 1984 Teen Arts Festival.

French Club

Under the advisement of Mrs. Ginsberg, Le Cercle de Francais (French Club) has had many special events this past year. Some included marching in the Halloween parade, several raffles, a Christmas party, celebrating Mardi Gras and a special French Club trip at the end of the year. All members of the club have had at least one year of French.

Spanish Club

The officers of the Spanish Club and its adviser, Mrs. Rodriguez, did a great job this year. The club conducted raffles, trips and many activities which contributed to a successful year. Some of these activities were dinner at a Spanish restaurant and a picnic at West Hudson Park.

COE

The Cooperative Office Education Program, under the direction of Mr. Casadonte, provides senior girls with the opportunity of attending school for a half day and then working in the afternoon. Therefore, the girls gain valuable experience and get paid for it, too. A wide variety of jobs are available — Lori Wright worked in the Superintendent's office, Joanie Fearn in the athletic office and Laura Michaliszyn worked in Hahne's in Newark.

Home Economics Club

The Home Economics Club, headed by Mrs. Cox, assisted at many school functions. Their duties included preparing and serving refreshments to faculty, parents and other students at Visit School Night, PTA meetings and graduation.

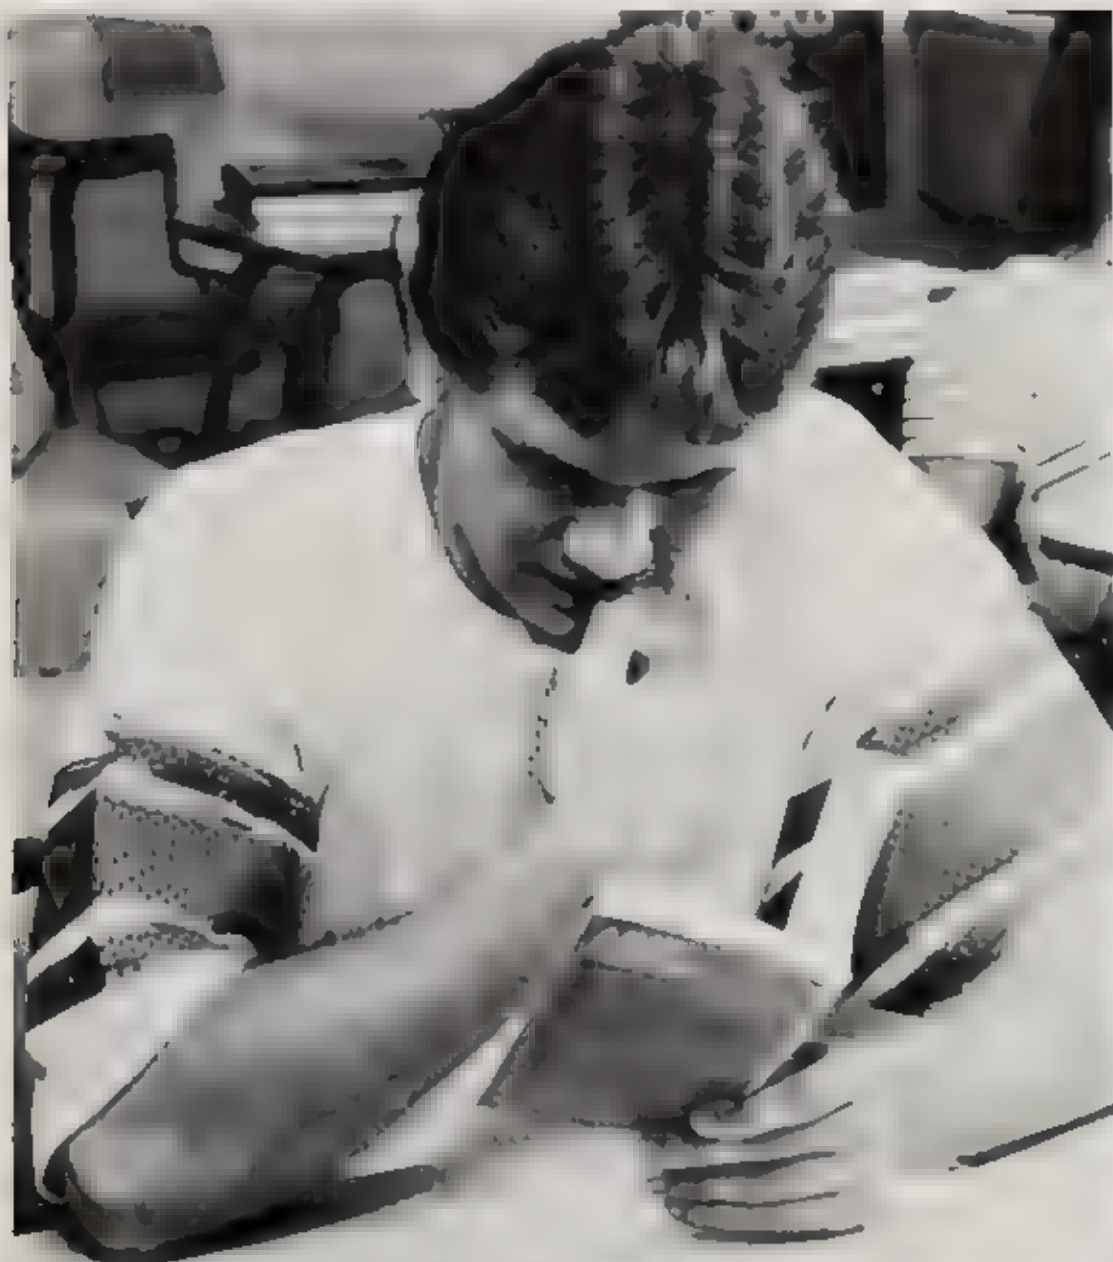

ACA

There were a number of factors which contributed to a "New Wave" in Academics at Harrison High this year. Many teachers were teaching new subjects, giving their students a fresh and original perspective in the material. There were a number of new courses as well as some exciting revisions in many others. These created a feeling of enthusiasm on the part of both students and faculty and made everyone excited to be part of the academic scene during 1983-84.

English

Despite some internal changes, the English department maintained its high standards throughout the year. The arrival of Miss Basso and Miss Gerris from Washington Middle School proved to be an asset to an already excellent faculty. Miss Basso taught sophomores and juniors while Miss Gerris presided over the Resource Room.

Mrs. Knowles continued instructing the freshmen with "extra points" as well as teaching senior girls Business English. Mrs. Shields drilled the sophomores in vocabulary and Creative Writing. As juniors, students read many short stories and novels while under the tutelage of Miss Lynskey.

Seniors enjoyed reading plays in Mr. Manning's and Mr. Doyle's classes. As seniors, students tried to encompass all of their assimilated knowledge in order to develop skills for college.

Science

Freshmen are introduced to the wonders of science through General Science. Mr. Barcellona keeps them hopping with the ever-popular cycle paper, while Mrs. Ingenito, new to the school, uses her excellent science background to keep them alert and interested in what is going on.

In sophomore year, Mr. Macchia and Mrs. Ingenito guide their students through an exploration of the living world around them in Biology. In addition to this, students also encounter, for the first time, the internal organs of a frog and the pungent order of formaldehyde.

Junior year brings Chemistry and all those wonderful symbols and valences and Captain SpeDiF of KLM airlines. Students further come to realize that STP does not stand for "Stan the Pole."

In senior year, the science department divides into two forks. Advanced Biology and Physics. Mr. Sieradzki presides over the former, the highlight of which is the dissection of a cat. Students in this class have been known to report that some approach this with "canine" anticipation and hungrily pounce on the best cats to perform surgery on. In Physics, Mr. Matuszek guides future engineers and, at year's end, some manual laborers through increasingly complex problems and theories.

Mathematics

The math department continues to excel under the influence of Miss Kozlowski, Mrs. Ronan, Mr. Doyle, Mr. Kutt, and Mrs. Jennette. Mr. Doyle, who teaches Algebra 1, always enlightens the freshmen with reminiscences of past soccer experiences as well as giving them a firm Algebra foundation. Mr. Kutt's students learn, in General Math, computations that will help them succeed in everyday life.

Mrs. Jennette, who instructs students in Computer Programming, always was available to help juniors and seniors learn computer skills they might need. Mrs. Ronan enhances juniors' knowledge as she guides them through the mystifying world of Algebra 2. Miss Kozlowski, department chairperson, brings the math curriculum to its final stages with Trigonometry and Senior Math.

Social Studies

The history department at Harrison High experienced a number of changes this year. Mr. Dwyer, a popular member of the faculty among the students, retired as did Mr. Tortorello. "Mr. Tort," a teacher at the school for 43 years, left in December — but not before imprinting his unique teaching style on this year's seniors. Mr. Colasurdo, a history teacher at Washington Middle School, took his place. Although the students missed Mr. Tort's stories of the old days and his persistent denial that in no way was he related to Danny Tortorello, they heartily welcomed Mr. Colasurdo.

Mr. Doffont left the English department and became U.S. History 1 and Psychology teacher. Mr. Grajewski, Mr. Shields, and Mr. Carney continued their winning ways as Social Studies teachers albeit in some new capacities.

Current Events became the most important aspect of the history classes. Students suddenly realized the need to study historic events in order to understand current ones. The invasion of Grenada and the threat of nuclear war brought a resurgence of interest in this subject.

Foreign Languages

This year Mrs. Ginsberg instructed French I, II, III, and Spanish I classes. Her students learned much about the cultures and history of France. She also guided the French Club to an exciting year

Mrs. Rodriguez accomplished a year of educating her students in Spanish I, II, III, and Advanced Spanish I and II. Mrs. Rodriguez stressed the importance of speaking and writing Spanish as much as possible. The Spanish Club also had an enjoyable year under her direction

Art

The Art department prides itself in offering the opportunity to express themselves through a visual means. The programs are designed to creatively solve aesthetic problems and to bolster confidence. The primary goal this year was the achievement of quality. In a work of fine art, this means quality in the idea, and quality in the craftsmanship. Stated simply, this is defined as quality in the work of the mind and quality in the work of the hands.

Music

If you ever pass Room 34, you'll most likely hear members of the band practicing their half-time or concert music. Under the direction of Mr. Lefurge, the band plays at every football game, in parades, and performs several concerts. If Mr. Lefurge isn't conducting the band, he is teaching the freshmen the fundamentals of music.

Home Economics

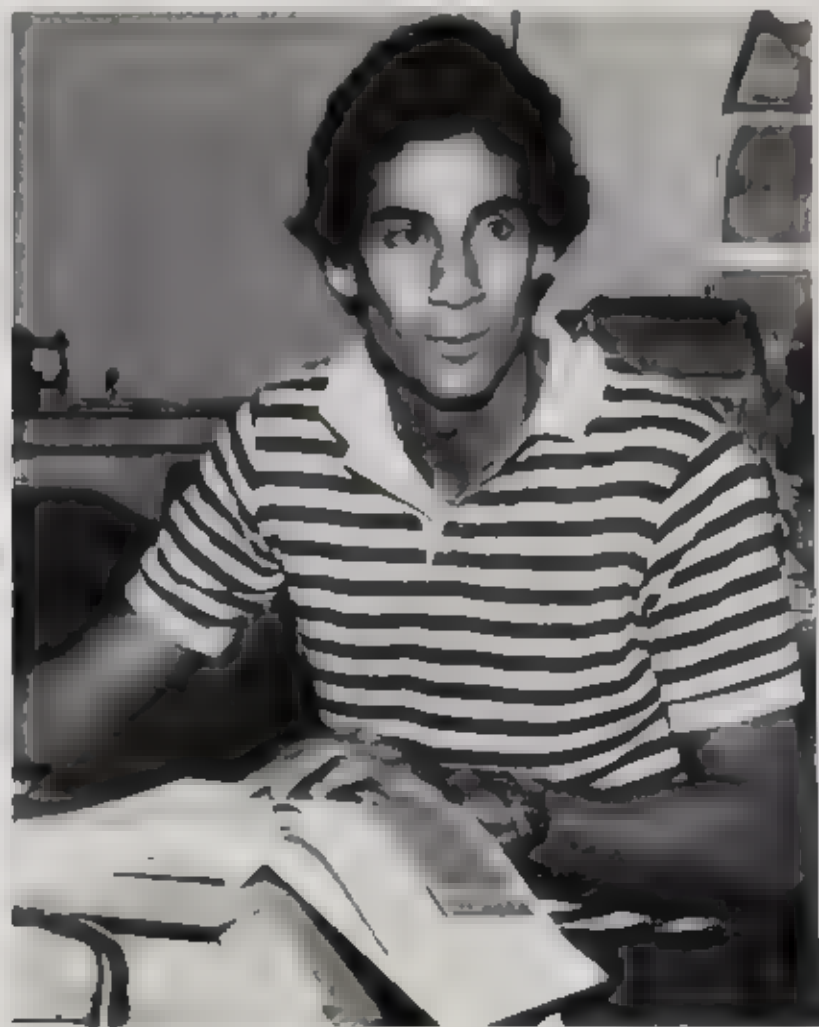

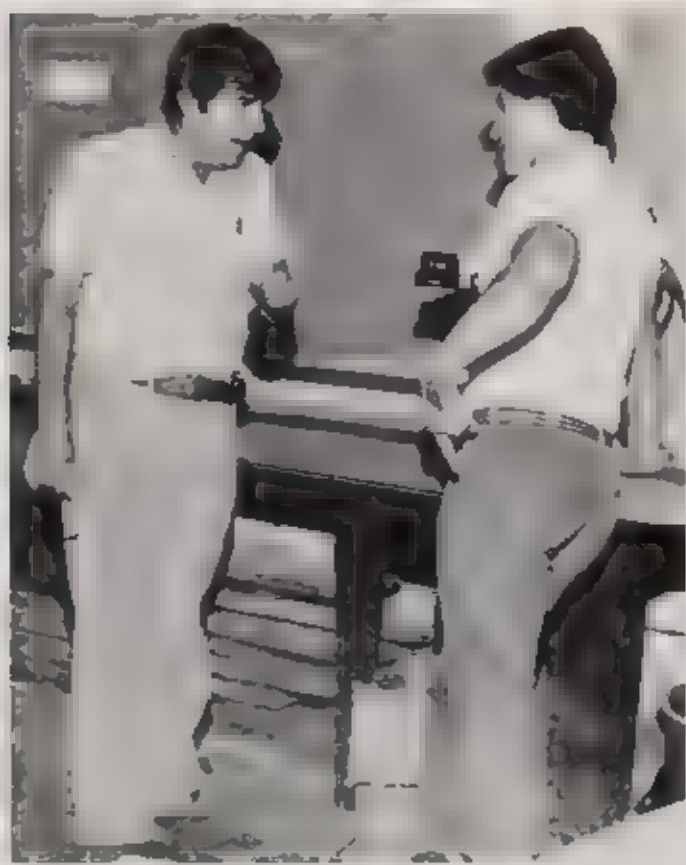

Home Economics is a course with two sections. The teachers, Mrs. Cox and Mrs. Hughes, alternate instructing students in cooking and sewing for a half year each. The sewing section teaches one how to use the machines to make a wide variety of projects — from footballs to tailored jackets — as well as other ways of sewing things.

In the cooking section, students learn to cook different meals and they even get to eat what they make. Sometimes, though, this is not always a privilege.

Industrial Arts

Mechanical, artistic, and mathematical abilities are necessary in the assembly of the most beautiful and impressive woodwork. In Woods Mr. John Sheehan teaches and polishes these talents in such a way that he makes Woods one of the most fulfilling and enjoyable learning experiences in Harrison High. With a little help from Mr. Sheehan, most Woods students make objects or furniture which they will cherish for the rest of their lives. Only the best woodworkers receive the GOLDEN HAMMER award.

Physical Education

There was a new addition to the Physical Education department this year. "Family Living" was instituted as part of the Health curriculum. The class is for seniors only and was taught by Ms. Moore, Mr. Manning and Mr. Barber. Their colleague, Ms. Green-Comprelli, returned to take charge of the pool classes. Every student is required to have one cycle of pool, two cycles of gym, and one of Health. Freshmen take General Health, sophomores, First Aid; juniors, Drivers' Ed; and seniors, Family Living. Gym class teaches team sports such as volleyball and soccer and recreational sports such as ping-pong and paddle ball for lifetime entertainment. Each year, the gym teachers look forward to Student Council Week — they arrange a good portion of it and are able to see skills they have taught in class demonstrated in the various athletic competitions.

Business Education

The Business Department offered a vast array of courses to prepare students for the business world. Those interested in typing were under the tutelage of Mrs. Zarbetski and Miss Raimo. Students who wanted to write like doctors took steno with Miss Raimo. Mrs. Hoffer instructed the students in Bookkeeping, Accounting and Shorthand. Mr. Cicchino and Mr. Holler awakened freshmen to the wonderful world of business in the General Business courses. Mr. Holler later gave seniors an opportunity to learn about legal matters in his Business Law class. Chairperson of the department, Mr. Casadonte, guided senior girls in Office Practice and coordinated the COE program.

The Class of 84 brought back a tradition of excellence to Harrison High athletes. The Blue Tide teams won three conference championships and two sectional state titles. Seniors led the way back to athletic prominence. The football team had its best season in a decade. The cross country boys' soccer and girls' basketball teams won conference championships. The latter two were also state champions. Champions just like the Class of 84.

Football

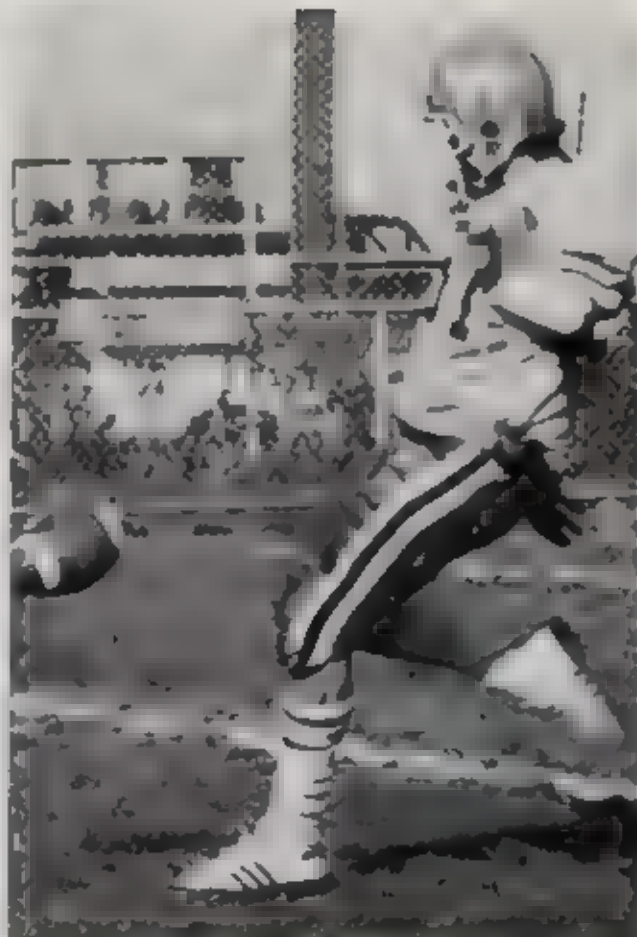

One of the main reasons the Harrison High football team had its best record in ten years was the play of its senior members. The offense was led by senior running backs Charlie Lazar, Joe Lopes and Louie Nardone. Together they rushed for over 1,000 yards and gave Harrison a potent running attack. The aerial attack was just as good as senior flanker Steve Anderson and All-Conference tight end Frank Ferriero hauled in numerous passes from Tom Corblies.

The line consisted of seniors Tony Mermimi, Rino Mermimi, co-captain Vin Di Santo, Matt Occhipinti and Tom DeRocker. They not only played superbly on offense but also led the defense which had two shutouts.

The Blue Tide finished at 4-5 but their performance outshone this record. Especially against Park Ridge, the Blue Tide demonstrated the kind of spirit and desire which makes these seniors proud to be part of the Class of '84.

Soccer

The 1983 Soccer team finished with a 19-2 record, won a sectional state championship, the BCSL title and scored a school record of 113 goals. Seniors Jose Madalena, Oliver Jiminez and Paul Bento combined for 63 of these goals while leading the Blue Tide to another impressive campaign. Dictinio Garcia was also impressive coming off the bench to score 9 goals.

The defense was led by senior stopper Joe Ferriero and Bob Hinchcliffe. Both these players played superbly all year and were named to the All-Conference team. Duke Baulo and senior Ozzie Carrara combined for 12 shutouts while allowing only 10 goals.

These seniors in their two years playing varsity won 41 games and lost only 4. They brought two conference and two sectional state championships to Harrison. Most importantly, though, they brought back tradition and respect for Harrison High School soccer.

Girls' Soccer

The third season of the Girls' Soccer team proved to be a successful one. Led by Coach Phil Kutt, the girls advanced to the second round of state competition only to be halted by a tough Morris Catholic squad.

In the beginning of the season, the girls dropped a game to a strong Keany team, but their determination enabled them to come back and beat many of their opponents.

The team will be losing senior members Cathy Hughes, Cathy Deegan, Angela Davitt, Jodi Smith, Joyce Thiry, Fanny Zuniga and Lisa Zarbetski. With the experience of Krissy Kutt and Alice Burgos, among others, the girls should be back with a strong team next year, though.

The Blue Tide finished 11-7 with the best record in their short history.

Cross Country

This year the Boys' Cross Country team won its first B.C.S.L. championship. They were 9-0 in the conference and 12-0 overall in dual meet competition. The top runners were Manny Rodrigues, Alfredo Betancourt, H. Carneiro, Victor Gafanhao, and Willie Ojeda. Senior members of the team include Nick Ayala, Joe Fontinha, Ed Gonzalez, Mike Kaldrovics, Steve Krushinsky, and Barry Patton.

The Girls' Cross Country Team had the minimum amount of runners, 5, but still had a strong season. They finished 4-2 in the conference and 7-2 overall in dual meet competition. Senior Olga Mesa and sophomore Flora Pineiro were the team's top runners. Also contributing to the team's success were Eileen Murpny, Eileen Maher, and Leslie Saltpaw.

Basketball

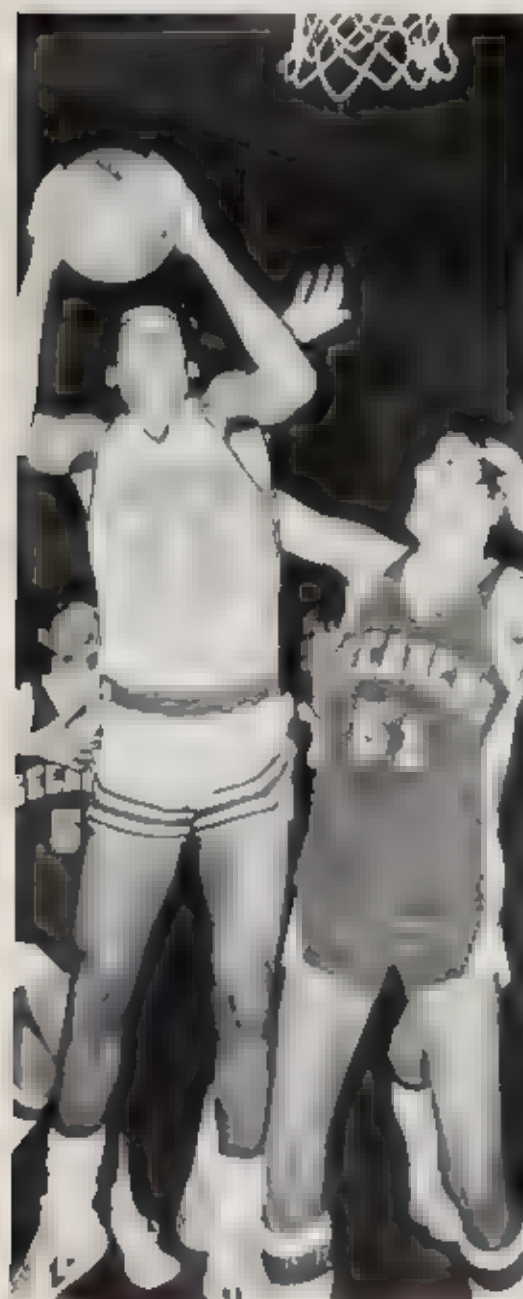

The Boys' Basketball team finished with a disappointing 9-17 record. The season was not without a few bright spots, though. Darryl Mulrenan, Harrison's senior center, reached 1,000 career points and finished with 1,027 points. The Blue Tide recorded a number of upset victories, including a hard fought victory over North Arlington and a blowout of Kearny at Kearny.

The team was laden with experienced seniors who pulled together especially against the good teams. Twice Harrison lost in the waning minutes against Lyndhurst, a BCSL powerhouse. Becton, the conference champion, beat the Blue Tide in the final two seconds on a desperate shot which fell through the hoop.

Co-captain Frank Ferriero averaged 12 points per game and formed a powerful front line along with senior Dictinio Garcia. Kevin Cowley and Charlie Thompson were in the backcourt while senior Steve "The Krusher" Krushinsky and junior Tim Adams came off the bench and added depth to the squad.

Senior co-captains Darryl Mulrenan and Frank Ferriero were named to the all-conference team. Frankie made honorable mention while Darryl made first team for the second year in a row.

Girls' Basketball

The girls' basketball team enjoyed its finest season ever, ending up 28-2. They won the Group 2, Section 1 State Championship for the second straight year, the BCSL Conference Championship and the Blue Tide Yule Tide Christmas tournament.

A big factor in that winning tradition is their coach Jack Rodgers who demands nothing less than perfection. Alice Burgos was named to the first team all-conference and all-county. Krissy Kutt was also named first team all-conference and third team all-county. Theresa Demnicki and her sister Patty were all-conference honorable mention. Theresa and Miriam Domingo were all-conference honorable mention, Patty made first team all-conference while Jackie Hoey finished with an honorable mention slot.

The girls will have a lot to look forward to in the coming years such as Alice Burgos' quest for her 1,000th point (she only needs 47). Other returning players are Krissy Kutt, who led the team in steals, Jackie Hoey, a superb rebounder, Patty Demnicki, a red-hot scorer, and Miriam Domingo. For next year, the girls will have the incentive of losing the North Jersey Championship two years in a row — to capture it in '85 will be their goal.

The 1984 Wrestling team improved its record to 6-8. For the first time in the history of Harrison wrestling, the grapplers advanced two wrestlers, Matt Occhipinti and Vin Winkleblech, into regional competition. The team was ranked fourth in Hudson County throughout the season. Coach Larry Manning did a fine job molding a bunch of misfits into one of the top teams in the county.

Joe Ferriero, the "Geek", wrestled at 128 and had a 9-2 record with 6 pins. Tri-captains Charlie Lazar, Matt Occhipinti and Vin Winkleblech also had fine seasons. Charlie "Iron Sheik" Lazar had an 11-3 record and 6 pins. "Super" Matt Occhipinti, also known as the Superfly, was 19-4-1 with 9 pins. Vin "The Pin" Winkleblech, Sgt. Slaughter, had a fine season with a 19-5-1 records with 12 pins.

Other seniors who performed admirably were Joe Ferreira, who gave away 15 lbs. each match but managed to finish with a 7-7 record and had 5 pins. Kirk Mackinson also had a respectable 5-7 record with 3 pins.

Swimming

The boys' and girls' swim teams finished with 3-7 and 4-7 records, respectively. Even though the record indicates a poor season, the improvement and accomplishment of individual swimmers were great.

Mr. Hartman took over as the boys' coach while Ms. Green-Comprelli continued to coach the girls. The Blue Tide placed three swimmers in the North Jersey State Sectional Championship. Patti Millroy, Dave Millroy and Angela Silva each finished first in their heats. Patti Millroy advanced to the finals and won a seventh place ribbon. Senior captains Liz Mederos, Liz Pappas and Fanny Zuniga also enjoyed fine seasons.

Swimming is an arduous sport and Ms. Green pointed out, "The people who stuck with the team gave their all, and that made us a winning team."

Baseball '83

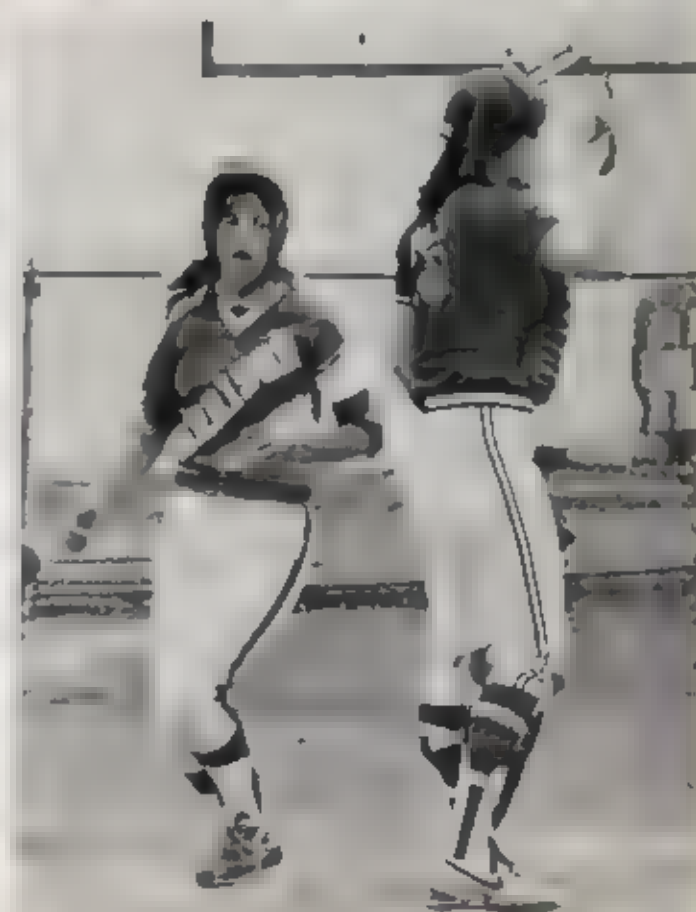

The 1983 baseball team overcame some early season jitters and went on to post a 5-17 record. Although this record was a disappointing one, the baseball players were one of the most dedicated groups of athletes in the school. Coach Doffont regularly held 6:00 (AM) practices which were attended by all of the players.

Mr. Doffont demanded discipline and effort from his players. Returning seniors Matt Occhipinti, Bob Bondura, Tony Mermini, Lou Nardone, and Bob Hinchcliffe should provide the spark needed for a successful 1984 team.

Softball

The 1983 Girls' Softball team finished with a disappointing record of 7-14. Although the players had the ability, the lack of experience on the mound was their biggest problem.

This year's team has a good return of underclassmen and with Coach Angel Lombardi, looks forward to a more successful season.

Cheerleaders

It was a truly memorable year for the Harrison High Cheerleaders. In addition to receiving overwhelming media attention and performing at a variety of popular tourist attractions in Florida, the girls held the following titles concurrently: 1983 Hudson County Champions, 1983 New Jersey State Champions, 1983 Northeastern State Champions, and USCA National Grand Champions

Dedication, drive and determination are the key ingredients in the success of the 1983-4 cheerleaders. During daily practice sessions, the girls perfect their routines until the team seems to be one highly tuned engine

The senior members — Angela Ferriero, Lori Wright, co-captains, Karen Calautti and Joanie Fearn acted as the backbone of the team throughout the year and set a fine example for the younger girls to follow

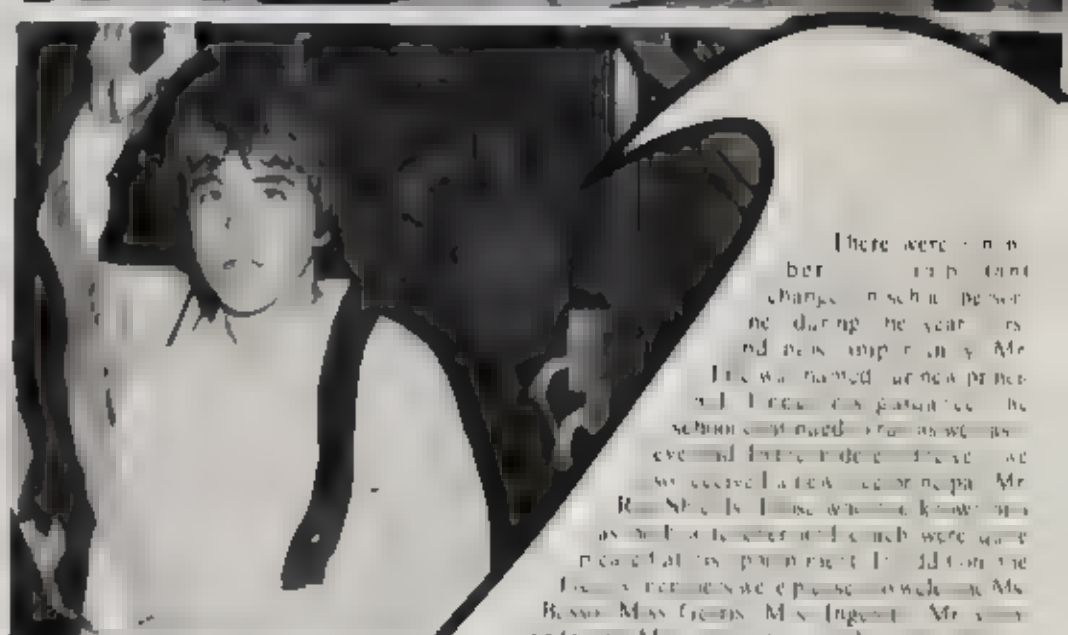

Congratulations are due to all team members as well as to coaches Nick Gregory and Bob Trembley

The New Wave ebbed to its ebb as the Class of 84 approached graduation. Seniors continued to demonstrate their spirit and enthusiasm not only in school activities but also in outside adventures. The Class of 84 demonstrated its uniqueness and variety by riding high on the New Wave.

Senior Class Officers and Advisers: Front row: Frank Ferreira, president, Harry Giannuzzi, secretary, Steve Krush, treasurer, Ozzie Carrara, vice-president. Back row: Mr. Shields, Mrs. Shields, Mrs. Hoffer, Mr. Carney, Mr. Manning, Mr. Barcellona

With this fine group of officers and advisers, the senior class managed to achieve a highly successful (and lucrative) year. The Halloween Dance proved to be extremely popular as did the Election Day bake sale, Cabbage Patch Doll Christmas raffle and June car wash. Although there was much confusion about the trip, no one could deny the fact that all involved did their best for the class. Finally, the excellent team work of the Class of 1984 was shown once and for all in the way a diverse group of seniors — some of whom never talked to each other before or after — came together one October afternoon to create the float which would ultimately triumph in the Halloween Parade.
